TECHNICAL SKILLS

Programming

C (Strong)
C++ (Intermediate)
Python (Intermediate)
Java (Working knowledge)

Web & Backend

HTML · CSS · JavaScript · Node.js

Database

Supabase · PostgreSQL

Tools

Git · GitHub · VS Code · Android Studio · Capacitor

AI/ML

MediaPipe · Random Forest · NDCG

LANGUAGES

English — Professional working proficiency
Tamil — Fluent

ACTIVITIES

Member, Logic Play Technical Club, SRMIST

SUMMARY

Computer Science undergraduate at SRMIST with hands-on experience in web application development and AI/ML prototypes. Independently developed a multi-role apartment-management platform and contributed to an Indian Sign Language translation team project. Currently working as a Machine Learning Intern on content ranking and optimisation.

EXPERIENCE

MACHINE LEARNING INTERN | FlyRank AI

July 10, 2026 – Present

- Working on content performance optimisation through a machine-learning ranking task and priority scoring for content refresh.
- Using an anonymised content-performance dataset and NDCG (Normalized Discounted Cumulative Gain) to evaluate ranking quality.

PROJECTS

AJA APARTMENT OS | Independent project

- Independently designed and developed a multi-role apartment-management application with resident, admin, security, maintenance, parking, delivery, facility-booking and finance workflows.
- Built responsive interfaces with HTML, CSS and JavaScript; worked with Node.js, Supabase and PostgreSQL. Explored Android packaging using Capacitor and Android Studio.
- Payment and some CCTV integrations are prototype/demo workflows, not live production integrations.

ECHOSIGN – INDIAN SIGN LANGUAGE TRANSLATOR | Team project

- Handled frontend development and AI/ML contributions for a camera-based sign-language translation prototype.
- Worked with Python, MediaPipe hand landmarks and Random Forest gesture classification; contributed to text and speech output.

EDUCATION

B.Tech – Computer Science and Engineering | SRM Institute of Science and Technology, Ramapuram

2nd Year · Semester 3 | Semester 1 SGPA: **8.136** | Semester 2 SGPA: **8.619** | Overall CGPA: **8.37**

Velammal Vidyalaya (CBSE) | Class 12: 74% · Class 10: 75%

CERTIFICATIONS

16 certificates across Anthropic / AI Fluency, Udemy and Unstop, including Claude Platform 101, Claude Code 101, Claude Code in Action, Claude 101, Introduction to Claude Cowork, Beginning C++ Programming, Java Programming with AI and Operating System.
